## ACTA-100 MERCHANDISING

A range of desktop and foot signs, to install as fixed or occasional items as required.

Indoor-free standing support DIN A4. Comprised of a transparent methacrylate poster holder. Frame made of extruded aluminum profile supported on a cast steel base, with cover trim, to provide structural stability. In terms of functionality and ergonomics, allows effortless literature replacement, with the holder opening by sliding the paper towards one end. There are additional models available in the same series in various sizes, signage variations and merchandising formats.

### MEASUREMENTS

W 42cm × L 30cm × H 105cm

W 16.54in × L 11.82in × H 41.34in

### CHARACTERISTICS

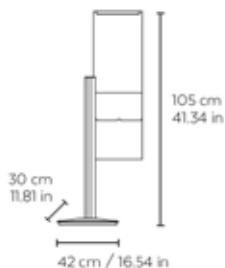

**Weight** 13 Kg.

## ACTA-110/1 MERCHANDISING

A range of desktop and foot signs, to install as fixed or occasional items as required.

One side indoor free-standing display stand for 100x70 posters. Frame made of extruded aluminum profiles with a polycarbonate protector supported on a cast steel base with decorative trim to provide structural stability. In terms of functionality and ergonomics, allows effortless and toolless poster replacement by means of a simple lateral opening in the frame profile. There are additional models available in the same series in various sizes, signage variations and merchandising formats. ACCESSORIES: leaflets holder ref. Acta-200/1 with five holders for 210x100 mm leaflets, ref. Acta-202/1 with five holders for DIN A5 leaflets, ref. Acta-220/1 magazine rack and ref. Acta-250 set of wheels for two bases.

### MEASUREMENTS

W 107,3cm × L 30cm × H 190,6cm  
W 42.25in × L 11.82in × H 75.04in
