GENERAL INFORMATION

ENVIRONMENTAL COMMITMENT

RESINAS OLOT, S.L. is a leading manufacturer in the design, production and marketing of products for mass distribution, designer furniture, the catering sector, accessories for the office and infrastructures, through its brands, RESOL GARDEN, RESOL CONTRACT, BARCELONA Dd, VILAGRASA, INDECASA and ARENAS.

PLASFUR, S.A. dedicated to the design and thermoplastic injection moulding, assembly and finishes.

Aware of the importance of satisfying the needs and expectations of our customers and all the relevant parties concerned, the management of RESOL (Resinas Olot S.L. and Plasfur S.A.) has implemented and maintains an Integrated Quality, Environmental and Eco-design Management System in the organisation, through the following basic principles:

- Achieving the full satisfaction of the customers and parties concerned through the constant innovation of the products, in order to improve performance, with a high level of design and quality aligned with the significant nature, magnitude and environmental impacts of the products throughout their lifecycles.
- Continually improving the efficiency of the Integrated Management System of the performance of the Eco-design process, by providing a framework to establish and revise the aims and goals related to the integrated management system, as well as the products, throughout their lifecycles.
- Equipping all the employees and partners to achieve greater efficiency in the work, promoting a positive environment of development and participation.
- Meeting the customers' needs and requirements in a sustainable manner, by working with a rational use of the resources and applying criteria aimed at preventing contamination.
- Complying with current legislation and other requirements which apply to the processes, activities, facilities and products.

To guarantee compliance with the defined points, the Management:

- Communicates the Policy to all the people working in the organisation and implements it with them.
- Establishes and provides all the resources necessary to achieve the set objectives.
- Guarantees commitment to the Policy in order to be an example of excellence in the service.

Les Preses, 1 April 2020.

Ignasi Franquesa
Managing Director
